**[Name. What I do]**

**[Achievements]**

**[What benefit you get using my services]**

**[About the project]**

Explain the reason why you submitted a proposal for the particular project. Are you especially interested in the type of work? Did the client explain the personality and work style of their ideal candidate and it matches you perfectly? Is the client in an industry you find inspiring? This shows the client you have a sincere interest in the project.

**[Lead Magnet]**

Valuable small product free of charge

**[Elaborative questions]**

What are your expectations from the Manager in 1st month and first 90 Days? How long do you foresee partnering with the Manager? Is it a long term endeavor? Is there a career growth opportunity in the position? Will there be promotions to different ranks or positions?

**[Promise of delivery]**

If you provide the necessary data today – I will be able to perform quick initial analysis and deliver the first results on Tuesday.

**[Invitation to further communication]**

Please feel free to check many positive reviews on my profile from my clients whom I helped. I'm willing to meet for further discussion. My Skype ID: xxxx
